

Curricular Practical Training

Please make sure you submit all the required documents to the office of International Student Services at least one week prior to the start date of employment. The Office of International Student Services has the right to approve or deny all CPT applications.

Requirements:

- Employment must be an integral part of an established curriculum as stated by the student's academic department and the course curriculum.
- Employment must be in the form of an internship authorized in agreement through Adelphi University.
- Requires college credit and program authorization during the period of time the student is enrolled for the internship. Ex. If the student is requesting an internship for the fall semester, the student must be enrolled for the internship / individual credit bearing course during the fall semester (not before and not after), if the student is applying for the summer internship the student must be enrolled for the summer.
- Must have maintained status for one full academic year prior to applying for CPT
- Student must show evidence that the internship is a requirement of their academic major
- CPT authorization is required for all off-campus internships whether paid or unpaid
- Please note using 12 months of full time CPT will affect your OPT eligibility

Application Procedures:

1. CPT Application (Student must complete this form)
2. Letter from Academic Dean of Department (No faxed, scanned or emailed letters will be accepted)
 - a. Start and End Date of Employment
 - b. Number of Hours Per Week
